Table of Contents

- ✓ 1. Gym Rules
- ✓ 2. Benefits of Strength Training
- ✓ 3. Gym Equipment Guide
- ✓ 4. Warm-up Routine
- ✓ 5. Dynamic Stretching
- ✓ 6. Safety Tips
- ✓ 7. Weekly Workout Split
- ✓ 8. Exercise Form Guide

1. Gym Rules

- Wear comfortable workout clothes and proper training shoes.
- Warm up before every session.
- Learn proper form before increasing weight.
- Stay hydrated.
- Clean and re-rack equipment.
- Respect other gym members.
- Sleep 7–9 hours.

■ TRAINER TIP

Master technique first. Strength comes later.

■ **Illustration:** Modern gym etiquette infographic

2. Benefits of Strength Training

- Builds lean muscle.
- Increases strength.
- Improves posture.
- Boosts metabolism.
- Supports bone health.
- Improves confidence.
- Enhances overall fitness.

■ TRAINER TIP

Take progress photos every 4 weeks instead of checking the mirror every day.

Dynamic stretching grid

6. Safety Tips

■ DO	■ DON'T
Warm up properly	Skip warm-up
Use correct form	Lift with ego
Increase weight slowly	Rush progression
Ask for help if unsure	Ignore pain
Keep breathing	Hold your breath

7. Weekly Workout Planner

Day	Workout	Completed
Monday	Chest + Triceps	■
Tuesday	Back + Biceps	■
Wednesday	Legs	■
Thursday	Rest	■
Friday	Shoulders	■
Saturday	Full Body	■
Sunday	Rest	■

8. Exercise Form Guide

Rule	Correct Form
Posture	Neutral spine
Core	Keep engaged
Breathing	Exhale while lifting
Tempo	Controlled movement
Range of Motion	Full movement

■ **Trainer Tip:** Perfect technique always beats heavier weights for beginners.
